

Our Doctors Are Well Connected... to you

Susie Dehnad, MD
OB/Gyn

At Sutter Medical Foundation North Bay, we've created powerful new ways to keep you connected with your health care team.

mySutteronline enables you to schedule appointments, refill prescriptions, view health records, check lab results, read your physician's instructions, and update your personal information, conveniently from your home computer.

And, when it's time for an office visit, you'll find our family physicians and specialists close by, at 19 neighborhood locations.

Choose Sutter Medical Foundation North Bay – you'll get secure online access, convenient local offices, and the highest quality care in the North Bay. You'll also be connected to the resources of the entire Sutter Health network: more than 5,000 physicians and 25 hospitals, helping you stay healthy.
