We believe in the power of medicine.
We look intently at each individual
and treat the whole person, not just
the illness.

Medicine can transform a body.
Going beyond medicine can
transform a life.

With You. For Life.

Beyond Medicine.

Michelle A. Tisi, M.D.

Internist and Sailor

*A shortage of
primary care
doctors drew her
to medicine.*

*Her focus on
prevention is her
way of making a
difference.*
